

**PRE-GAME WALK –THRU SCRIPT**  
**JIM SANTOMASSIMO**  
**OFFENSIVE COORDINATOR – DARIEN HIGH SCHOOL, DARIEN, CT**

During my 2 years at St. Joseph, we came up with a pre-game walk-thru script that we used the day before our games that covered every situation that might come up during a game. We feel that by using this script, we had eliminated many problems that were occurring during the games, making us more successful. The whole procedure only takes 90 minutes to go through, making for an easy day & allowing your players to get more time off leading into the game:
